

A. CE requirements-**10 continuing education credits are required every 2 years**

- **5 of 10 credits must be obtained from an Interactive source** -Maximum of 5 **non-interactive** credits accepted
- **7 of 10 credits must be in Medical category** -Maximum of 3 **non-medical** credits accepted
- Certification runs on an *odd year/even year* cycle-**Late renewals, after June 30th, require 5 additional credits (must be all medical and interactive)**
- CE credits **must be** earned within your 2-year cycle: **July 1–June 30**; *odd year to odd year / even year to even year*)

B. Approved Continuing Education Programs*

- Approved Sources: CE that has been pre-approved by one of the following organizations:
 - AAHA (American Animal Hospital Association)
 - AAVSB's Registry of Approved Continuing Education (RACE)
 - American Veterinary Medical Association (AVMA)
 - Colleges/Schools of Veterinary Technology and Veterinary Medicine
 - NAVTA (National Association of Veterinary Technicians in America)
 - Regional, state and local Veterinary Medical Associations (e.g. MVMA)
 - Regional, state and local Veterinary Technician Associations (e.g. MAVT)
 - State Board's of Veterinary Medicine (e.g. MN Board of Vet Med)
 - USAHA (United States Animal Health Association)
 - USDA (United States Department of Agriculture)
 - Pharmaceutical companies and distributors
 - CE certificates must indicate organization has obtained pre-approval to be automatically accepted (see below for further detail)
 - CE that has **not been preapproved** by any of the above sources are subject to further review.
 - Non-preapproved / Non-RACE-approved CE must be submitted on the Non-Preapproved CE Form
 - In-hospital CE is an example of non-preapproved CE and is defined as: any CE presented to internal clinic/hospital personnel and not made available via advertising for attendance to outside veterinary professionals; a maximum of 3 credits accepted.

C. Source Descriptions / Requirements

- **Interactive** – must submit a minimum of 5 interactive credits
 - Interactive sources are described as being live / in real-time (e.g. Live Webinars)
 - Sources allow for interaction between presenter and participants
 - Pre-recorded sessions with quizzes are **not** considered interactive
- **Non-Interactive** – maximum of 5 credits accepted
 - Non-Interactive sources are described as pre-recorded, self-study courses
- **Medical Credits** – must submit a minimum of 7 medical credits
 - Medical credits are described as being medically related to a Vet Techs direct role
- **Non-Medical Credits** – maximum of 3 credits accepted
 - Non-Medical credits are described as not being medically / technically related to the direct role as a Veterinary Technician
 - Examples include – Practice Management, Personal & Interpersonal Communication, Stress management, Marketing, etc.

*The credentialing subcommittee reserves the right to limit or refuse any CE.
