

Learn more about the Minnesota Veterinary Technician Licensure implementation process at the MVMA/MAVT Conference. We'll have sessions, open Q&A office hours, and an educational luncheon.

During the LVT Q&A Office Hours, stop by and chat with your MVMA and MAVT (the M&M team) representatives for an opportunity to have one-on-one talks with leaders of the legislative initiative. Drs. Al Balay and Ann Brownlee along with Kim Horne and Sam Geiling serve on the Minnesota Board of Veterinary Medicine Task Force to assist in writing board rules for LVTs. This is a chance to ask specific questions about the LVT bill and process.

Note: all LVT Q&A Office Hours will be held in Boardroom 3 on the third floor near registration.
