ABOUT THE MVMF

Our Mission

Since 1990, the Minnesota Veterinary Medical Foundation (MVMF) has supported veterinary students and professionals who care for the animals we love. We fund scholarships, grants, and educational opportunities to ensure the future of veterinary medicine in Minnesota. To date, MVMF has awarded over \$1 million in scholarships and has actively supported numerous animal health programs.

WHY CHOOSE US?

By sponsoring the MVMF's three signature events, you are investing in the future of animal welfare through support of the veterinary professionals who make that care possible. Sponsorships not only provide valuable marketing exposure for your business but also offer opportunities for exclusive networking, audience engagement, and community impact. Sponsorship benefits are crafted to maximize brand visibility and create a meaningful partnership with MVMF.
