

Thank you for volunteering to help in the Miracle of Birth Center. We are looking forward to another exciting year educating the public on a veterinarian's role in the birthing process and in animal agriculture. We appreciate your commitment to this exhibit.

Note that the MVMA is following MN Department of Health guidance and wanting all volunteers to be fully vaccinated and that masks are worn indoors (masks provided). Please let us know if you have any questions regarding volunteering.

Double check your shift time and date. Please arrive at least 30 minutes early.

You should have received from the MVMA the following:

- 3 tickets – one for you and two complementary for guests
 - *Please do not lose, as there are no extras and they cannot be replaced.*
- Complimentary Public Parking pass; Closest lot to MOBC is Como Ave lot (see enclosed map)
Plan on a 15 minute walk to the MOBC. **Park & Ride Options are encouraged!**
- MOBC Volunteer Orientation sheet

This is a public relations and educational opportunity, please be aware of the audience at all times. Review the common Q&A at link provided below before your volunteer day and encourage audience participation through questions.

The birthing/volunteer protocols and communication training materials are found on our website as a guide for you. An orientation power point presentation is available for review as well. It is important to read through these materials and ask any necessary questions before or when you arrive. You can review the information by visiting www.mvma.org/mobc.

If you have any questions, please contact the MVMA office at (651) 645-7533. Once again, thank you for helping make this event a success.

Sincerely,

Dan Tjornehoj
MVMA Executive Director

You should have received a map, admission tickets, parking pass, volunteer orientation sheet in the mail prior to your shift. If you did not, please contact the MVMA.

For specific questions on protocols or last-minute emergencies on your volunteer day, please contact MOBC co-chairs

Dr. Mary Olson	320-630-7050
Dr. David Wright	763-242-7535
Dr. Holly Neaton	952-240-2192
Dr. Marjorie Schleper	320-761-9598
Dr. Katherine Pjevach	612-578-4591
Dr. Michaela Olson	507-461-3785

A co-chair schedule will be posted in the breakroom at MOBC.
