

Minnesota Veterinary Medical Association
President Elect
David Fell, DVM

Dr. David Fell graduated from Iowa State University's College of Veterinary Medicine. A month after graduating in 1970, he married the love of his life, Barb. They now have two married children who have given them four grandchildren.

Dave is a life member of both the Minnesota VMA and the Iowa VMA. He is a member of the AVMA, AABP, AASV and the AASRP. He has been a member of the MVMA's Veterinary Technician Committee since the early 1980's, was its chair for four years and an original member of the subcommittee that developed the credentialing exam for technicians. Also, Dave is a member of Governmental Affairs and the Practice, Ethics and Grievance Committees. He served a six-year term on the AVMA's Committee on Veterinary Technician Education and Activities (CVTEA) and was its chair for one year.

In 2016 Dave retired from his veterinary practice ending a 46 year career in a mixed practice. Dave would love to be a more active model railroader, but as a good friend told him, "You don't have time for a hobby if you own a 116-year old home", such as he and Barb do.
