

**Minnesota Veterinary Medical Association
Director
Anna Ruelle, DVM, MPH**

Dr. Ruelle graduated from the University of Minnesota College of Veterinary Medicine in 2011 with a Doctor of Veterinary Medicine and Masters in Public Health. Less than a year after graduation, she was given a unique opportunity to buy a mixed animal practice in the Southwest Metro area in Minnesota. She just celebrated 5 years of ownership of Countryside Veterinary Clinic in early February 2017.

While in veterinary school, Dr. Ruelle focused on leadership in veterinary medicine, shadowing amazing women in leadership roles. She has held numerous leadership roles herself in school and since graduation. Currently she is a board member on the MN College of Veterinary Medicine Alumni and Friends Society (AFS) Board, the Veterinary Hospital Association (VHA) Board, and the Minnesota Veterinary Medical Association (MVMA) Board.
